Every weekend in spring we go to our summer house in the country. It's a good big house with a beautiful garden in front of and behind it. In summer the garden is so bright with flowers! And we can eat delicious vegetables and berries. In summer and in autumn we enjoy sweet cherries and plums, tasty apples and pears.

So we have to work a little. In April and May we make flower beds and vegetable beds. We seed carrots, peas and beans and we plant tomatoes, cucumbers and cabbages. We have to weed them. I don't like this work. But I like to water them if there is no rain.

There is a swing and a slide in the garden. I play on them with my friends. We like it! And I treat them with self-grown fruit and vegetables<sup>1</sup>. They are better than in shops. We all enjoy eating them.

Tuesday, July 7

Dear Diary,

I'm on the ship now. It's cool! My family and I are going to Australia. The weather is fantastic! The sea is so beautiful. I like to look at the waves. Yesterday I made friends with two dolphins! They were playing not far from the ship. I shouted, "Hello, friends! How are you?" They swam up to the ship and started jumping up and down. They cried, "Ulu-ula! Ulu-ula!" I think they said hello to me.

Dear Diary,

Now I'm in India. We came here two days ago. The plane was cool. I sat near the window and I could see the clouds very well. India is an interesting country but it's very, very hot. Every day we go swimming in the Indian Ocean. Yesterday we went to the amusement park and I rode a camel. A camel is called "the ship of the desert". When he travelled from China to India on foot, he got malaria [mə'leəriə]. He continued his journey from India to North Africa by boat, from Africa to Europe by bike.
